The 2019 National Organic Agriculture Business Summit will take place in Kano State, between October 2 - 4, 2019. This is the fourth of its kind among stakeholders of organic agriculture value chain in Nigeria.

Essence of the National Organic Agriculture Business Summit

- Exploring opportunities of the Ecological Organic Agriculture Initiative in the context of the Decision of the African Heads of States and Governments on organic farming [EX.CL/Dec. 621(XVII)],
- Improving local and export business activities in the organic sector,
- Exhibition of organic produce and products to stimulate domestic and export trade,
- Capacity building for strategic stakeholders in the organic agricultural sector of Nigeria, to contribute to food security, income generation, employment, systems resilience, among others.
- It is organised to advance the mainstreaming of Ecological Organic Agriculture into national policies and farming systems of the nation.

Programme Outlook:

- October 1: Arrival of delegates and pre-Summit meetings
- October 2 & 3: Presentations, exhibitions and business fora
- October 4: National Stakeholders' Meeting of Ecological Organic Agriculture Initiative

Paper submission:

Paper presentations should be agribusiness-oriented and based on innovation/success stories of what has worked and is working in organic agriculture systems.

Paper submission (full paper, not more than 6 pages (including pictures) in A4, 1.5 spacing, Times New Roman 12 font size) and send to info@noanigeria.net

The summit organisers call for papers on innovation/success stories in organic agriculture and business investments.

Contributions in the form of financial sponsorships, logistics, etc. will be greatly appreciated.
